

Authorized Service Bath, Shower and Spa Products

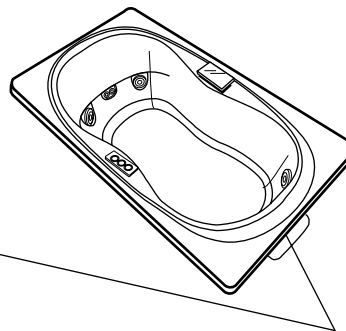

For authorized service please call the nearest service center location found on the enclosed list. If you have difficulty locating a service company near you, or need assistance with operation or maintenance related questions, please call our Service Support Department at 1-800-288-4002.

When requesting service or technical assistance please have available both the model and serial number of your unit. This information can be obtained from the product registration card provided with your unit. If the card has been misplaced, this information can be obtained from the specification/serial number plate on the unit itself (for location of specification/serial number plate see below).

SPA PRODUCTS
Specification/serial number plate is generally located on the spa shell near the skimmer.

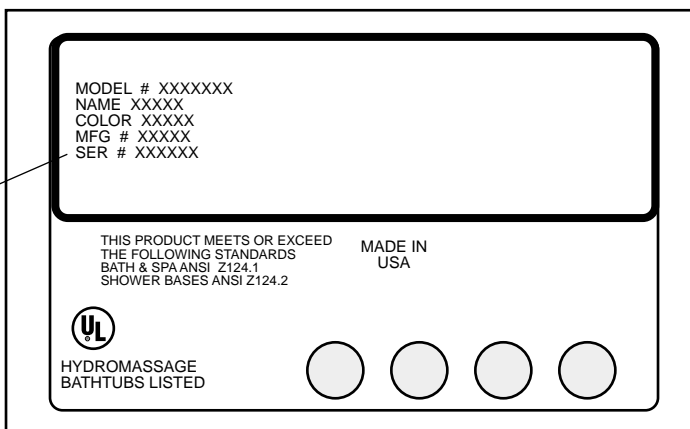

BATH PRODUCTS
Specification/serial number plate is located on the platform behind the motor/pump.

SPECIFICATION/SERIAL NUMBER PLATE

You will find your six-digit serial number here.
